

Congratulations! Your child is going to first grade!!!!

Dear Kindergarten Parents,

We are looking forward to meeting your child on his/her first day as a first grader. As teachers, we are always excited to meet the incoming first graders. We are sure it will be a rewarding and successful year for your child. In order to help make the next year a success, we are asking families to help prepare students before the first day of school by purchasing a small list of items.

➤ **Every student needs to bring the following in a plastic bag for use throughout the year:**

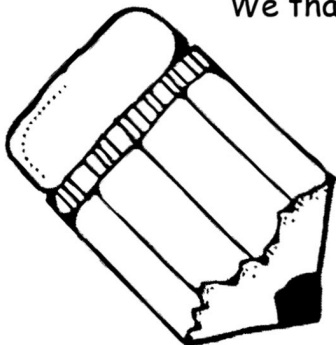

- 2 packs of white copy paper
- a box of Kleenex
- a box of Band-aids
- Clorox cleaning wipes or baby wipes
- a box of yellow #2 pencils

➤ **Please put the following items in a pencil case :** Ready to be used on the first day of school without packaging

- 24 or 36 count crayons pack (Crayola preferred)
- *(Please don't send the large 64+ packs to school with your child)*
- One large eraser
- 4 glue sticks
- 3-4 Expo dry erase makers
- scissors
- highlighter
- 2 pencils
- Pencil sharpener that collects shavings

We are so thankful to have such great parents here at Eastvale.
We thank you for your support in starting the year off right!

Sincerely,
A Track First Grade Teachers
